

# TAS Phone Bills

## *How We Bill and Projected Monthly Costs*

### Billing Period and Date of Bill Delivery:

The Arrival Store (TAS) sends out phone bills on or around the 20<sup>th</sup> of every month. TAS bills from the first of the month to the end of the month (e.g. August 1<sup>st</sup> to August 31<sup>st</sup>). This has two major implications:

- When you arrive, your monthly base fee will be **pro-rated** for that month (e.g. if you arrive and begin using your phone on the 11<sup>th</sup> of June, you will only be billed for 20 days of the month).
- When you return your phone, your monthly base fee will be **pro-rated** to determine your final bill.
